

SKI FOR LIGHT

Invites you to ski with us as a Nordic Ski Guide!

We're looking for experienced cross country skiers to serve as ski guides for blind, visually & mobility impaired adults. Share your time doing something you love while helping disabled skiers experience the joy of Nordic skiing! **Ski For Light, Inc.** is a not-for-profit volunteer organization founded in 1975.

Our annual "Ski for Light International Week" attracts over 250 active adults from the U.S. & international locations. Experienced cross country skiers are matched with disabled skiers for a full week of skiing, camaraderie and special activities in the snow. Disabled participants range from novices to life-long Nordic skiers.

COME SKI WITH US!

We'll train you to be a safe & effective ski guide.
